

GMU - Faculty & Staff Profile Templet

Harshitha H S

Assistant Professor

Faculty

Faculty of Engineering and Technology

School / Program

Data Science

Faculty Introduction

I am Harshitha H S, a dedicated Data Science educator with an M.Tech in IoT and Sensor System from BIET College, Davanagere, and a B.E. from STJ Institute of Technology, Ranebennur. My academic background is rooted in exploring the Internet of Things, sensor systems, and emerging technologies. I am passionate about creating a practical and student-centered learning environment and connecting classroom concepts with real-world applications.

Qualifications

M.Tech (IoT and Sensor System)

BIET College, Davanagere.

B.E. (CSE)

STJ Institute of Technology, Ranebennur.

Experience

Teaching / Academic

Working as an Assistant Professor in the Faculty of Engineering and Technology, Data Science.

Areas of Interest

Data Science, Artificial Intelligence, Machine Learning, Data Analytics, Cybersecurity, and Explainable AI.
